

CARING FOR TOMORROW ENDOWMENT

The Caring for Tomorrow Endowment Fund is like a savings account for new medical equipment. Donations go in and they stay in. Only the income earned is used to help purchase high priority equipment. The goal is to provide a strong financial base for Brightshores Health System Saugeen Shores Hospital, so when urgent equipment needs arise, or when new medical procedures are discovered, the Fund will be there to help.

Part of your legacy, a gift for endowment is a deeply personal statement about who you are or the impact a loved one has had on you, as well as your belief in exceptional rural healthcare at the centre of a vital community.

Donations of any amount may be designated to the Caring for Tomorrow Endowment Fund.

NAMED ENDOWMENTS:

When designated gifts total \$10,000 or more, you may establish a “Named Endowment” as a family fund, to honor the memory of a loved one or in your own name. Named funds may be designated for a specific purpose (ie Emergency Care, Laboratory, etc. *as approved by the Foundation*) with \$25,000 or more.

A gift agreement is normally drafted which speaks to the operation of the named fund and use of the income generated. Contact us for assistance.
